PREFACE

The series of Public Record Office *Lists and Indexes*, originally published by Her Majesty's Stationery Office between 1892 and 1936 and now reprinted by Kraus Reprint Corporation, constitutes only a very small (though important) part of the means of reference to the national archives of England. Many volumes in the printed series are continued or amplified in compilations which have hitherto been available only in typed or manuscript copies on the shelves of the Record Office's search rooms. A number of these compilations have been selected for reproduction and issue by the Kraus Reprint Corporation in this *Supplementary Series* of Public Record Office *Lists and Indexes*.

The present volume is primarily a continuation of the printed *List of Records of the Duchy of Lancaster* (*Lists and Indexes* No. XIV), as re-issued by the Kraus Reprint Corporation. The lists of additions to the Duchy of Lancaster classes of Court Rolls (D.L. 30, p.1 below) and Rentals and Surveys (D.L. 43, p.142 below) supplement respectively information contained in No. VI (*List and Index of Court Rolls, Part I*) and No. XXV (*List of Rentals and Surveys etc.*) in the printed series.
